The Provider understands that it may be necessary for the State to amend or revise the DIDS Provider Manual during the period of this Agreement, through memorandum, chapter requirements or otherwise, as well as, through revisions to the Bureau of TennCare Rules. The Provider understands and agrees that it will be subject to any such revisions.

- A.12. Reporting Suspicion of Abuse, Neglect, Mistreatment or Exploitation. If at any time, the Provider identifies any actions of a Provider employee, volunteer, contractor or any other person, entity or organization that may constitute abuse, neglect, mistreatment or exploitation of a service recipient, the Provider shall immediately, and in all cases within four hours, report such conduct to the DIDS Investigations Section. A Reportable Incident Form must also be submitted to DIDS Central Office by the next working day. The Provider shall also report information related to the allegation(s) as completely as possible and shall cooperate with any subsequent investigations, whether by DIDS or by another entity with legal jurisdiction. The Provider shall grant DIDS or its authorized representatives full and complete access to any and all records relating to the allegation.
- A.13. Fraud. The Provider shall report to DIDS, Office of Inspector General, and the Tennessee Bureau of Investigation Medicaid Fraud Control Unit (TBI MFCU) any incident(s) of Medicaid or TennCare fraud. Furthermore, the Provider shall fully participate and cooperate with any investigation into such circumstances conducted by TBI MFCU and shall allow the inspection, duplication and/or removal of its records in compliance with State and Federal laws pursuant to a TBI MFCU investigation.

 - (i) Provider compensation shall be contingent upon the satisfactory completion of authorized, approved service as specified in the Individual Support Plan.

- (ii) The Service Rates detailed in a valid and current Individual Support Plan shall constitute the entire compensation due the Provider for the service and all of the Provider's obligations hereunder regardless of the difficulty, materials, or equipment required. The Service Rates include, but are not limited to, all applicable taxes, fees, overheads, and all other direct and indirect costs, expenses and charges incurred or to be incurred by the Provider.
 - (iii) The State will refuse payment to the Provider for services billed to the State that are beyond the level of services authorized by the State through Individual Support Plans, exceed payment rates for said services or are not billed to the State within the appropriate time frame after the delivery of services.
 - (b) Payment for service may also be as specified in accordance with services identified in the service recipient's TennCare approved Pre-Admission Evaluation or Transfer PAE, until such a time as an approved Individual Support Plan is in place, to a maximum of 60 days.
 - (c) The Provider shall submit monthly invoices, in form and substance acceptable to the State with all of the necessary supporting documentation, prior to any payment. Such invoices shall be submitted for completed, authorized, approved service to eligible service recipient(s) as stipulated in the Individual Support Plan. The adequacy of the supporting documentation to substantiate each Provider invoice shall be determined at the sole discretion of DIDS.
 - (d) All payments to the Provider for authorized services are final payments for the billing period invoiced by the Provider and paid by the State. The Provider shall provide written notification to the State setting forth the amount, details and basis of any payment dispute within thirty (30) days after receiving payment for services.
- A.19. Continuity of Care. Upon Provider acceptance to supply approved service to an eligible service recipient as indicated in the State approved Individual Support Plan, the Provider shall be obligated to deliver services in accordance with the Individual Support Plan, including the amount, frequency, intensity, and duration of services specified, and shall be responsible for arranging back-up staff to address instances when other scheduled staff are not able to deliver services as scheduled. The Provider shall, in any and all circumstances, continue to provide services that maintain continuity of care to the service recipient in accordance with his/her Individual Support Plan until the service recipient is provided with other services, as mandated below, that are of acceptable and appropriate quality.
- (a) Prior to discontinuing service to the eligible service recipient, the Provider must:
 - (i) Provide a written notification of the planned service discontinuation to the service recipient, his/her conservator or guardian, his/her support coordinator, and DIDS no less than sixty (60) days prior to the proposed date of service termination.
 - (ii) Obtain State approval, in the form of a signed service plan, to discontinue the service and cooperate with any subsequent, authorized service Provider as is necessary.
 - (iii) Consult and cooperate with the State in the preparation of a discharge plan for those service recipients receiving care and services from the Provider in the event of a proposed termination of service. Also, when appropriate, as part of the discharge plan, the terminating Provider will meet, consult and cooperate with any new Providers to ensure continuity of care and as smooth a transition as is possible.
 - (iv) Provide copies (or original documents as required) of the service recipient's records to the service recipient's new Provider as directed by DIDS, as required by the DIDS Provider Manual. This records transfer shall be accomplished whether the Provider continues as a Provider for DIDS or ceases to offer services under this agreement and/or determines to go out of business. If the Provider fails to comply with the terms of this paragraph, the Provider will remain fully responsible for making the records available and liable to the State for all costs of making copies of the records for the new service Provider.
 - (b) If a provider of clinical services, the Provider shall follow procedures established in the DIDS Provider Manual for discharging (terminating) a service recipient from clinical services. Circumstances for discharge may include but are not limited to: the recipient having met established goals, recipient reaching maximum improvement, and/or discontinuation of order by physician or other clinician, *etc.*
 - (c) If the Provider is an individual (e.g., a (n) Occupational Therapist, Physical Therapist, Personal Assistant, or nurse), the Provider shall make arrangements for a temporary or substitute DIDS approved service provider of required service in instances where the Provider is temporarily not available to deliver service (as a result of illness, vacation, family emergency, *etc.*)
- A.20. Sanctions and Licensure Action. For failures to comply with this Agreement or the standards and requirements referenced herein, DIDS, Bureau of TennCare, and applicable state licensure or certification

authorities may invoke sanctions and licensure actions pursuant to *Tennessee Code Annotated*, Section 33-2-408, as well as the DIDS Provider Manual and any other applicable state licensure or certification laws and/or other applicable state and federal rules or regulations. It is hereby agreed and acknowledged between the parties that any sanctions and/or licensure actions imposed represent the damages and injuries sustained by the State in losing the benefit of the bargain with Provider and do not include any injury or damage incurred by a third party.

- (a) Sanctions— The State may impose sanctions including, but not limited to, the following:
 - (i) require the Provider to secure training or technical assistance at the Provider's expense from a source identified by the Provider and approved by DIDS;
 - (ii) invoke a moratorium on admissions, new services or expansion of the Provider's services;
 - (iii) lodge complaints with applicable licensure or certification authorities;
 - (iv) terminate this Agreement for cause; or
 - (v) assume management responsibility and control of the Provider's services (refer to section A.22. below) or
 - (vi) monetary sanctions.
- (b) Licensure Action— The State may initiate revocation of the Provider's license.
- (c) In accordance with *Tennessee Code Annotated* Section 33-2-408, the following procedures and appeals process shall apply with regard to the imposition of any sanctions.
 - (i) DIDS will provide notice of each sanction in writing. The Provider may appeal the sanction within ten (10) working days from the date of the written notice from the DIDS Regional Director. The appeal must be submitted to the Deputy Commissioner of DIDS through the Office of General Counsel by certified mail or by facsimile transmission. The notice of appeal must state the reason(s) for any objection to the sanction.
 - (ii) If notice of appeal is timely filed, the imposition of monetary sanctions will be stayed pending resolution of the appeal. A hearing will be scheduled in accordance with Uniform Administrative Procedures Act requirements. If the sanction is a daily monetary sanction, and is upheld after a hearing, it will be calculated from the date of original imposition.
 - (iii) Notwithstanding a sanction appeal, the DIDS Regional Director may invoke non-monetary sanctions immediately and no stay shall apply.
- (d) If sanctions are imposed, DIDS will inform the Bureau of TennCare in writing regarding the reasons therefore and amount.

A.21. Recoupment. As stated at *Tennessee Code Annotated* 33-2-408(c), a recoupment is **not** a sanction. It is the return of unearned amounts paid to a Provider resulting from non-compliance with the Provider agreement. Recoupment of funds paid to the Provider may be imposed by the Division as a result of survey, audit, or review processes conducted by the State, the Office of the Comptroller, utilization reviews by CMS, other federally designated agencies, or TennCare, or other evidence. Since by law a recoupment is not classified as a sanction the appeal procedures/process found at *Tennessee Code Annotated* 33-2-408 do not apply to these actions.

- (a) The State or its designated fiscal agent may recoup funds for reasons including, but not limited to, the following:
 - (i) no PAE or Transfer Form (for ISC Agencies, if applicable) for individuals served;
 - (ii) no 2362 (for ISC Agencies, if applicable) for individuals served;
 - (iii) no current Medicaid Waiver Re-evaluation;
 - (iv) billing for services for which no or inadequate supporting documentation is found;
 - (v) billing for services, which were not provided;
 - (vi) billing for multiple services concurrently except where specifically authorized by DIDS;
 - (vii) not meeting defined requirements of service category (consistent lack of adherence to fundamental requirements of each service category);
 - (viii) license lapsed or expired;
 - (ix) services provided at locations other than those specifically approved for an individual;
 - (x) amounts or types of service approved by DIDS, which were billed but were not provided;

- (xi) required and approved staffing or caseload ratios not being met; and
 - (xii) services performed by staff who have not completed background or registry checks, or who have not completed all applicable training requirements.
- (b) Although the appeal provisions of *Tennessee Code Annotated* 33-2-408 do not apply to recoupments, the following informal administrative review will be permitted. This Opportunity for Recoupment Review (ORR) will be in addition to any other administrative/audit analysis offered to the Provider by the respective auditing/surveying entity, as applicable.
- (i) When a recoupment is determined to be appropriate, the DIDS Regional Director/designee or Director of Internal Audit (as applicable) will notify the Provider as soon as possible with a written description of the amount to be recouped, an explanation of the basis for the recoupment and, when appropriate, a list of documentation which has not been supplied or found to be missing. DIDS will give the Provider an opportunity to produce, but not recreate, missing information.
 - (ii) The Provider shall have fifteen (15) business days from the date of the mailing/delivery of the above notice to advise the DIDS Regional Director/designee or Director of Internal Audit (as applicable) in writing that the Provider requests such informal administrative review. This notification may be accomplished by written correspondence, facsimile transmission or email. If a request is not received by the DIDS Regional Director/designee or Director of Internal Audit in the time prescribed, the Provider has waived his ORR and the Division will proceed to collect the recoupment amount.
 - (iii) If however, the Provider does submit a written request for informal administrative review, then the DIDS Regional Director/designee or Director of Internal Audit will arrange for an interview with the Provider or its designee as soon as practicable. The provider may raise questions and/or present or produce documentation or other information/explanations to address identified deficiencies in order to reduce or eliminate the recoupment, when appropriate.
 - (iv) The DIDS Regional Director/designee or Director of Internal Audit (as applicable) shall review relevant information and allow the Provider to ask questions/and or present its position concerning the recoupment. DIDS can not independently overturn recoupment actions initiated by CMS, or another federal or State agency, including TennCare. DIDS shall render its determination, along with the rationale supporting its decision, in writing no later than ten (10) business days thereafter, which in the case of recoupment actions initiated by CMS, or another federal or State agency, including TennCare, shall be subject to final determination by the initiating entity. It is agreed that the process described in this subsection is an informal, contractual review, which affords the Provider subject to a possible recoupment a chance to submit its views and any contrary or additional information relevant to a final conclusion of a proposed recoupment. The Provider is limited to the ORR, described herein, as its sole remedy regarding any recoupments to which it may be subject.
 - (v) If following the ORR process set forth above the State determines recoupment of funds is warranted, the DIDS Regional Director designee or Director of Internal Audit (as applicable) will prepare a Report/Summary of Findings, which provides details of the recoupment issues. This document will specify the amount of recoupment and direct the Provider to contact the DIDS Regional Office or Office of Internal Audit (as applicable) by a specified date regarding the schedule for recoupment, which shall be finally determined at the sole discretion of the State. The State shall send the Report/Summary of Findings to the Provider by either electronic or certified mail within fifteen (15) working days of its final determination.
 - (vi) The provider shall not bill or accept any payment from the service recipient, his/her parent, guardian, spouse or any other legally responsible party for any recoupment amounts.

A.22. Partial or Complete Assumption of Management Responsibilities. If the State determines that an emergency or exigent situation for whatever cause substantially impairs the Provider's capacity to provide authorized service to its service recipients, and said impairment(s) jeopardizes the health, safety or well being of its service recipients, then the State may assume partial or complete, temporary operating responsibility for the Provider to assure continuity of care and the health and safety of the service recipients. An action of this nature is only for management purposes, and the State assumes no responsibility or obligations associated with or arising out of the ownership of the Provider's business or concern.

- (a) Any action taken by the State under this section shall not alter in any way the Provider's other obligations under this Agreement. Furthermore, to the extent necessary to accomplish the obligations of the Provider under this agreement, the Provider agrees to extend its full cooperation and assistance to the State while it exercises management authority under this section.
- (b) Effective as of the date the State assumes management authority, the Provider shall be liable for all

associated costs to the State. Said costs shall be deemed to equal the amounts to be paid to the Provider by the State, during the period, for service referenced in and subject to the provisions of this Agreement. The State may, in its sole discretion, withhold or offset payments due to the Provider for any expenses incurred or associated with the actions taken under this section.

- (c) Upon an assumption of management authority by the State under this section, the Provider shall have no right to recover from the State any actual, general, special, incidental, consequential or any other damages whatsoever of any description or amount.

B. Agreement Period

This Agreement shall be effective beginning January 1, 2010 and ending December 31, 2014.

C. Payment Terms and Conditions

There shall be no cost to the State for the Provider's compliance with the terms and conditions of this Agreement.

D. General Terms and Conditions

- D.1. Modification and Amendment. This Agreement may be modified only by a written amendment executed by all parties hereto and approved by the appropriate Tennessee State officials in accordance with applicable Tennessee State laws and regulations.
- D.2. Termination for Convenience. The State may terminate this Agreement without cause for any reason. Said termination shall not be deemed a breach of contract by the State. The State shall give the Provider at least thirty (30) days written notice before the effective termination date. The Provider shall be entitled to receive compensation for satisfactory, authorized service completed as of the termination date, but in no event shall the State be liable to the Provider for compensation for any service, which has not been rendered. Upon such termination, the Provider shall have no right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- D.3. Termination for Cause. If the Provider fails to perform any material obligations under this Agreement in accordance with the terms herein, the State shall have the right to terminate the Agreement for default following the Provider's failure to cure any such material breach within twenty (20) days of the Provider's receipt from the State of a notice specifying the nature of such breach. Provided, however, the foregoing notwithstanding, if the State determines, in its sole discretion, that the breach poses an imminent, material threat to the health, safety, or welfare of service recipients, citizens, or employees, the State shall have the right to immediately terminate the Agreement for cause. Furthermore, the Provider shall not be relieved of liability to the State for damages sustained by virtue of a breach that results in the State's termination of this Agreement for cause.

In the event that Provider Management has violations substantiated as abuse, neglect, mistreatment or exploitation, as defined in federal or state law, regulation and/or in the DIDS Provider Manual, or any issue jeopardizing a person's health or safety, then this Agreement may be immediately terminated for cause.

If the State fails to perform any material obligation under this Agreement in accordance with the requirements herein, the Provider shall be entitled to terminate the Agreement for default following the State's failure to cure any such material breach within twenty (20) days of the State's receipt from the Provider of a notice specifying the nature of such breach.
- D.4. Subcontracting and Assignment. It is understood and acknowledged by the parties that this agreement, including the payments and consideration arising from it, is exclusively between the State and the Provider. Therefore, the Provider shall not convey, transfer, allocate, delegate or assign its duties, responsibilities or obligations under this Agreement to any third party, person or entity.
 - (a) The Provider will not enter into a subcontract for any approved service referenced in and subject to this Agreement without first obtaining the prior written approval of the State. Implementation shall not begin until a copy of the approved sub-contract has been submitted to the State.
 - (b) Notwithstanding the use of approved subcontractors, the Provider is solely responsible for carrying out the duties and delivering the services under this agreement and is therefore liable for all work performed hereunder.
 - (c) The Provider shall not under any circumstances convey, transfer, assign, pledge, mortgage or encumber any payment(s), amounts or proceeds that are due or may become due from the State as a result of this agreement to any third party without the express, prior written approval of the State.
- D.5. Nondiscrimination. The Provider hereby agrees, warrants, and assures that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of

The Provider shall show, upon request, proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

- D.6. Monitoring. The Provider's activities conducted and records maintained exclusively ensuing from or pursuant to this Agreement shall be subject to unfettered monitoring and evaluation by the State, which includes, but is not limited to DIDS, the Bureau of TennCare, the Comptroller of the Treasury and/or duly appointed representatives.
- D.7. Strict Performance. Failure by any party to this Agreement to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Agreement shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Agreement shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.
- D.8. Independent Contractor. The parties hereto, in the performance of any approved service referenced in and subject to this Agreement, shall not act as employees, partners, joint ventures, or associates of one another. It is expressly acknowledged by the parties hereto that such parties are independent contracting entities and that nothing in this Agreement shall be construed to create a employer/employee relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

The Provider, being an independent contractor and not an employee of the State, agrees to pay all applicable taxes incident to the performance of any approved service referenced in and subject to this Agreement. - D.10. Force Majeure. The obligations of the parties to this Agreement are subject to prevention by causes, excluding labor disputes, which are beyond the parties' control and could not be avoided by the exercise of due care including, but not limited to, acts of God, acts of nature, acts of terrorism, riots, wars, epidemics or any other similar cause, provided that, upon discovery, the party affected by such immediately notifies the other party.
- D.11. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Tennessee. It is expressly understood and agreed the obligations set forth in this section shall survive the termination of this Agreement.
- D.15. Debarment and Suspension. The Provider certifies, to the best of its knowledge and belief, that it and its principals:

 - (i) information in the public domain; information entering the public domain but not from a breach by the Provider;
 - (ii) information previously possessed by the Provider and not subject to confidentiality pursuant to applicable state and federal law or regulations;
 - (iii) information acquired by the Provider without written restrictions against disclosure from a third party which, to the Provider's knowledge, is free to disclose the information; or,

The Provider shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including sub-grants, subcontracts, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients of federally appropriated funds shall certify and disclose accordingly.

D.20. Public Accountability. any subcontractor who will utilize the services of an illegal immigrant to perform work relative to this Contract. Attestations obtained from such subcontractors shall be maintained by the contractor and made available to state officials upon request.

- (c) The Contractor shall maintain records for all personnel used in the performance of this Contract. Said records shall be subject to review and random inspection at any reasonable time upon reasonable notice by the State.
- (d) The Contractor understands and agrees that failure to comply with this section will be subject to the sanctions of Public Chapter 878 of 2006 for acts or omissions occurring after its effective date. This law requires the Commissioner of Finance and Administration to prohibit a contractor from contracting with, or submitting an offer, proposal, or bid to contract with the State of Tennessee to supply goods or services for a period of one year after a contractor is discovered to have knowingly used the services of illegal immigrants during the performance of this contract.
